

The Luxury of Living.

You will never know until you have an abundant supply of water in your home. When you consider that we do the pumping all the year 'round, and that your water supply is always under pressure, there is

Nothing so Cheap

in all your living expenses as the water supply from our mains. You may have water for sprinkling the street and lawn, a faucet in the kitchen, another in your stable and the charge is

Only \$12 per Year

for 30,000 gallons. With the bath-room connected the cost is \$16.00 and the allowance 40,000 gallons. The first cost of installing the water is about the same as building a new cistern. Come in and talk about it anyhow, or see our plumber.

Mr. Allen will retire from the firm of Allen & Murphy August 1. He will be succeeded by Mr. T. H. Carter, of Harrodsburg.

Mathew Wilson died at his home on Winn avenue, Sunday June 29. He was 83 years old, and a native of Bath county.

The machinery for drilling the oil wells in the eastern part of this county has arrived and placed in position and work will begin at once.

The firm of Perry & Evans has been dissolved, Mr. Perry retiring.

The test of Democracy last fall was to vote for councilmen who were pledged to licensed saloons in North Winchester next month.

No man can be a consistent democrat who is not in favor of saloons. [Does this correctly represent the democracy of Clark county? Ed.]

Green & Lyman, of Mt. Sterling, received at Hunt, from different parties 700 lambs, previously engaged at \$5.50 cwt.

Mother Always Keeps It Handy.

"My mother suffered a long time from distressing pains and general ill health due primarily to indigestion," says L. W. Spalding, Verona, Mo. "Two years ago I got her to try Kodol. She grew better at once, and now, at the age of seventy-six, eats anything she wants, remarking that she fears no bad effects as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound your health will be good. Kodol treats the stomach and strengthens the body by digesting your food. It is nature's own tonic.

Enthusiastic Prohibitionists.

The convention of the Illinois Prohibitionists on Wednesday was a most exciting affair. 1,200 delegates showered their contributions upon the stage, giving \$5,000 in cash.

The Committee on Platform split and two platforms were submitted to the convention for adoption. One touches on all the leading national issues and the other confines itself strictly to prohibition and woman's suffrage.

The convention adopted the minority report. This holds the prohibitionists to the two issues—the liquor question and woman's suffrage.

Dr. George Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure. "For years I have been greatly bothered with Kidney trouble and enlarged prostate gland. I used everything known to the profession without relief, until I was induced to use Foley's Kidney Cure. After using three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles, for I can honestly state I have prescribed it in hundreds of cases with perfect success."

A Loving Cup.

Representative James N. Kehoe, of the Ninth district, was presented by his Maysville constituency with a handsome loving cup in recognition of his services in the procuring of a public building at Maysville.

Jas. G. Ambertof, Della, O., writes: "I had an obstinate sore on my face which everything else failed to heal. After one application of Banner Salve it began to heal and after three applications it was entirely healed leaving no scar."

Electric Railways.

Franchises to construct and operate electric railway lines throughout the city of Havana, Cuba, have been secured by H. G. Hamilton and W. H. Park, of Youngstown, O. The concessions are estimated to be worth \$25,000,000.

Americans are known as a dyspeptic people. The extent of this disease may be inferred from the multitude of so called "medicines" offered as a remedy. They are often in tablet form and have no value except as the palliatives of the immediate effects of dyspepsia. The man who used them may feel better but is surely getting worse. They do not touch the real cause of the disease. Dr. Pierce's Golden Medical Discovery is a medicine specially prepared to cure diseases of the stomach and organs of digestion and nutrition. It is not made to give temporary relief but to effect permanent cure. In ninety-eight cases out of every hundred it cures perfectly and permanently.

It has cost Dr. Pierce \$25,000 to give away in the last year the copies of his People's Common Sense Medical Adviser, which have been applied for. This book of 1008 pages is sent free on receipt of 22 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Maybe.

It is stated that Harry V. McCaskey, at present State Superintendent of Public Instruction, will be a candidate for the Democratic nomination for Secretary of State.

The greatest healer of modern times is Banner Salve for cuts, wounds, sores, plies and all skin diseases. It is guaranteed. Use no substitute.

United States Building In SOAP.

A lae-smile of the great United States Building at the World's Fair, St. Louis, 1903, is now on exhibition at Ed. MITCHELL'S show window. It is an architectural wonder, built like fairy palace from tons of ROYAL CUTICLE SOAP, THE PRIDE OF THE WORLD TOILET SOAP. As an artistic display, it is a marvelous demonstration and well worth coming miles to see, and will be the most remarkable soap bargain ever offered in America. THE EVER LEADING IN FURTHERING THE INTEREST OF THE PEOPLE HAS WON FOR OUR STORE MUCH WELL DESERVED POPULARITY. THROUGH OUR PROMINENCE, WE HAVE BEEN SELECTED AND APPOINTED AS SOLE DISTRIBUTING AGENT FOR EASTERN KENTUCKY BY THE ROYAL SOAP COMPANY OF CINCINNATI, OHIO, whose soaps have been the standard of excellence for nearly a quarter of a century. It is a wonderfully fine, dainty, medicated soap, soothing to the skin and beautifying to the complexion, and is sold upon its merits exclusively. MORE THAN FIVE MILLION FAMILIES through the length and breadth of the land are to-day using ROYAL CUTICLE SOAP and will use no other. So much for the excellence of this soap. The regular price for ROYAL CUTICLE SOAP is 10c. per cake, but for a limited time, acting as agent for the manufacturers, who desire to introduce the ROYAL CUTICLE SOAP into every home, we have the special privilege from the manufacturers to sell three cakes for 10c., 40c. per dozen or \$4.80 per gross. Freight paid on all five gross orders. This gives us power to save money for all persons. It is so cheap it can be no cheaper, and so good it can be no better. It is within the reach of all. We reserve the right to limit the number of cakes we shall sell to any one customer. Come early.

ED MITCHELL,
Sole Agt. Eastern Kentucky. Mt. Sterling.
